

INVITATION

TO THE LAUNCH OF THE

Less Silence More Safety Testimonies Project

Stories of resilience and survival

The Health and Community Services Complaints Commissioner invites you to the launch of the Less Silence More Safety Testimonies Project – stories of resilience and survival.

The effects of abuse, violence and neglect, from the hidden to the obvious, accumulate over a lifetime and influence how people with disabilities experience health and community services.

It is these stories that particularly interest the Health and Community Services Complaints Commissioner.

Testimonies have been shared by people who live with a disability and the people who love them. These testimonies have been used to produce four short films made in collaboration with No Strings Attached Theatre of Disability.

DATE / TIME: Thursday, 1 December 2016, 2 – 4 pm

WHERE: The Parks Theatre, 46 Cowan St, Angle Park

RSVP: By Tuesday, 29 November 2016 to Truffy Maginnis
