Public Statement: Interim Prohibition Order – Mr Mario De Ieso

The Health and Community Services Complaints Commissioner (HCSCC) Associate Professor Grant Davies has issued an [interim prohibition order](#) against Mr Mario De Ieso of Beverley.

The HCSCC recently received a complaint about Mr De Ieso. The information received suggests he has been offering dental services from his home.

Mr De Ieso was formerly registered as a dental practitioner but has not been so since May 2018.

Under the terms of the interim prohibition order, Mr De Ieso is prohibited from providing dental services of any kind.

Associate Professor Davies said the matter was now under investigation.

“I felt it necessary to make this order to protect the health and safety of members of the public,” he said.

“If anyone has concerns, please call us on 7117 9313.”

The interim prohibition order, which started Wednesday, will be in place for 12 weeks while the HCSCC conducts its investigation.

As this is an active investigation, the HCSCC is unable to comment further.
