Public Statement: Interim Prohibition Order – Mr Adrian Mangini

The Health and Community Services Complaints Commissioner (HCSCC) Associate Professor Grant Davies has issued an interim prohibition order against Mr Adrian Mangini of Modbury Heights.

Mr Mangini is prohibited from providing neural linguistic programming, counselling, mental therapeutic, hypnogram, yoga, reiki, massage and meditation services (however described).

The interim order started today at 12:01AM and will be in place for 12 weeks while the HCSCC investigates this issue.

Associate Professor Davies said the matter is now under investigation.

“I believe it is necessary to make this order to protect the health or safety of members of the public,” he said.

“If any members of the public are concerned, they can call or email us.”

As this is an active investigation, the HCSCC is unable to comment further.
